DETAILED ACTION

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: The prior art does not teach the use of an instruction device to execute the first image sensing operations for respective different exposure periods of plural image sensing operations, wherein the signal processing device evaluates the different exposure periods for the plural first image sensing operations and selects the longest exposure period from respective different exposure periods and performs the second image sensing operation in accordance with a charge accumulation period of the second image sensing operation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to James M. Hannett whose telephone number is 571-272-7309. The examiner can normally be reached on 8:00 am to 5:00 pm M-F.
